- The Tucson Area Indian Health Service is a smoke-free work environment.
- No government housing provided.

TRAVEL and RELOCATION: Travel and relocation costs may be paid in accordance with applicable Federal and departmental travel regulations.

DESCRIPTION OF DUTIES: Serves as a Medical Officer (General Practice) performing and providing diagnostic, preventative and/or therapeutic services to patients in hospitals, health centers, clinics, or other designated health care facilities. Performs and provides the diagnosis, care and treatment of inpatients, ambulatory care patients and emergency cases for a full range of cases. Interviews and examines patients, reviews past medical history, and requests and/or performs diagnostic tests and examinations. Makes preliminary diagnosis; directs, prescribes or provides a full treatment regimen, or arranges for specialized care including prevention, health maintenance, early diagnosis, treatment and follow-up services. Performs and provides care to ambulatory patients in a clinic setting. Instructs and counsels patients and their families. Performs and/or assists other physicians in the performance of minor surgery. Delivers infants, and provides or arranges for postpartum care. Refers patients to appropriate contracted medical or other government facilities as necessary for care and diagnostic procedures that cannot be adequately provided at local IHS facilities. Ensures preparation of appropriate medical records for all patients seen to ensure the accumulation and organization of all pertinent clinical data needed to provide comprehensive medical care. Works closely with allied health professionals (i.e., community health nurses, social workers, health educator, etc.) to provide effective interdisciplinary health care services and treatment. Performs other duties as assigned.

This position requires the person selected, to obtain and maintain medical privileges. If either privileges or an unrestricted license are not obtained or maintained during employment, the employee may be subject to an adverse action, up to and including removal from the federal service.

QUALIFICATION REQUIREMENTS: Candidates must have had experience as described below. Your description of work experience, level of responsibility, and accomplishments will be used to determine that you meet these requirements.

BASIC REQUIREMENTS: Provide transcripts and proof of current/active license.

Degree: Doctor of Medicine or Doctor of Osteopathy from a school in the United States or Canada approved by a recognized body in the year of the applicant's graduation. (A Doctor of Medicine or equivalent degree from a foreign medical school that provided education and medical knowledge substantially equivalent to accredited schools in the United States may be demonstrated by permanent certification by the Educational Commission for Foreign Medical Graduates (ECFMG)(or a fifth pathway certificate for Americans who completed premedical education in the United States and graduate education in a foreign country).)

Graduate Training: Subsequent to obtaining a Doctor of Medicine or Doctor of Osteopathy degree, a candidate must have had at least 1 year of supervised experience providing direct service in a clinical setting, i.e., a 1-year internship or the first year of a residency program in an institution accredited for such training.

- An *internship program* involves broadly based clinical practice in which physicians acquire experience in treatment a variety of medical problems under supervision (e.g., internal medicine, surgery, general practice, obstetrics-gynecology, and pediatrics). Such programs are in hospitals or other institutions accredited for internship training by a recognized body of the American Osteopathic Association (AOA).
- A *residency program* involves training in a specialized field of medicine in an institution accredited for training in the specialty by a recognized body of the American Medical Association (AMA) or AOA.
- A *fellowship program* involves advanced training (beyond residency training) in a given medical specialty in either a clinical or research setting in a hospital or other institution accredited in the United States for such training.

Licensure: For positions involving patient care, candidates must have a permanent, full, and unrestricted license to practice medicine in a State, District of Columbia, the Commonwealth of Puerto Rico, or a territory of the United States. Applications will be accepted from physicians who are not currently licensed; however, if selected for appointment, they must (a) obtain a license before entering on duty, or (b) meet one of the following requirements.

- ***Waiver of Licensure Requirement:*** An agency may waive the licensure requirement for positions not involving direct patient care, e.g., positions performing disability evaluations, positions performing solely research, or administrative program managers. If the agency does not waive the license requirement for these kinds of positions, candidates may be appointed subject to obtaining a license within 1 year.
- ***Appointments Pending Meeting Licensure Requirement:*** Individual circumstances may warrant appointments pending meeting the licensure requirement (e.g., when a candidate has a temporary license to practice until the next regular session of the licensing board). Persons appointed pending licensure may not be retained beyond 1 year of appointment if they do not obtain the license.

ADDITIONAL REQUIREMENTS: General Practice Positions:

GS-13: 3 years of graduate training or equivalent experience and training

GS-14: 4 years of residency training in the specialty of the position to be filled or equivalent experience and training.

GS-15: 5 years of residency training in the specialty of the position to be filled or equivalent experience and training.

General Practitioners must be skilled in recognizing various medical pathologies that require referral to specialists for diagnostic and treatment procedures. Graduate training and experience must, therefore, be well rounded.

KNOWLEDGE, SKILLS AND ABILITIES (KSAs): Applicants who meet the basic qualification requirements described in this announcement will be further evaluated by determining the extent to which their work or related experience, education, training, awards, outside activities, and performance appraisal, etc., indicate they possess the knowledge, skills and abilities described below. All applicants should describe clear, concise examples that show level of accomplishment or degree to which they possess the KSAs on a separate attachment. The information provided will be used to determine the "best qualified" candidates.

1. Ability to function as a health care delivery team member.
2. Ability to assess quality patient care.
3. Ability to maintain patient medical records.
4. Ability to establish and maintain rapport with patients and families.
5. Skill in providing diagnostic, preventive, and/or therapeutic services to patients.

LEGAL AND REGULATORY REQUIREMENTS: Candidates must meet time after competitive appointment, time-in-grade, and qualification requirements by the closing date of the announcement. If selected under the Excepted Service Examining Plan (ESEP) or the Delegated Examining Unit (DEU) procedures, time in grade requirements do not apply.

QUALITY OF EXPERIENCE: Experience must have been at a level of difficulty comparable to the next lower grade in the Federal service. It is an applicant's responsibility to provide documentation or proof that he or she has met the qualification requirements of the position. Reference inquiries, including contacts with candidate's instructors, supervisors or employers may be made to obtain further information about the candidate's professional qualifications for the position.

HOW TO APPLY: Interested applicants must submit one of the following:

If your resume or curriculum vitae does not provide all the information requested in the job announcement, you may lose consideration for the position. Submit a copy of your personnel order.

Other Information:

Applications, resumes or other written application format must contain all of the information listed above in sufficient detail to enable the Human Resources Office to make a determination that you have the required qualifications for the position. If your application, resume or other written application format does not contain all the information and forms requested in the announcement, you may lose consideration for this job.

APPLICATIONS WITH REQUIRED FORMS MUST BE RECEIVED IN OUR OFFICE NO LATER THAN 5:00 P.M. ON THE CLOSING DATE OF THE ANNOUNCEMENT. **TELEFAXED/EMAILED DOCUMENTS WILL NOT BE ACCEPTED. THERE WILL BE NO EXCEPTIONS.**

Preference in filling vacancies is given to qualified Indian Preference candidates in accordance with the Indian Preference Act (Title 25, United States Code, Sections 472 and 473).

Applicants or current Federal employees claiming Indian Preference must indicate on their application packet, if they wish to be considered under the Merit Promotion Plan (MPP), the Excepted Service Examining Plan (ESEP), or both. If not, they will be considered under the MPP only.

Proof of U.S. Citizenship is required for an appointment to the Indian Health Service. The Director, IHS may grant an exception to this policy for appointments to excepted positions, provided that the current appropriations act permits IHS to pay citizens from the country where the applicant is from.

Additional selections may be made within 90 days from the date a Candidate Referral Roster is issued, if the position becomes vacant or to fill an identical additional position.

Employees, who received a buyout and subsequently return to positions in Federal agencies, whether by re-employment or contracts for personal services, are generally obligated to repay the full amount of the buyout to the agency that paid it.

If position is advertised at multiple grade levels, it can be filled at a lower grade than the full performance level. Advancement to the next grade without further competition is possible, once all legal and regulatory requirements are met, however, such advancement is neither automatic nor guaranteed.

The Tucson Area Indian Health Service provides reasonable accommodations to applicants with disabilities. If you need reasonable accommodation for any part of the application and hiring process, please notify the Human Resources Management Branch at (520) 295-2435. The decision on granting reasonable accommodation will be on a case-by-case basis.

In other than the above, the Department of Health and Human Services is an equal opportunity employer. The Department does not discriminate in employment decisions on the basis of race, color, religion, gender, national origin, age, disability or sexual orientation.

AREA INFORMATION: The Tucson Area encompasses the Pascua Yaqui (pah.skwah ya.ke) and Tohono O'odham (to.ho.no aah.tum) Indian Reservations. The Sells Service Unit (SSU) is the primary source of health care for the approximately 24,000 people of the Tohono O'odham Nation. The Sells Service Unit consists of an American Hospital Association affiliated JCAHO accredited hospital at Sells (65 miles west of Tucson) and three health centers - San Xavier Health Center located in Tucson; Santa Rosa Health Center located in Santa Rosa, and the Westside Health Center (to open in June 2005) located in San Simon Village. The SSU also provides an environmental health program, which is responsible for construction and maintenance of sanitation facilities. The Sells Service Unit has a community focused health care delivery program and works in close association with the Tohono O'odham Tribal Health Committee and Tribal Health Department.

Tucson - Arizona's second largest metropolitan area is home to nearly 600,000. Tucson is one of the oldest continuously inhabited sites in North America, steeped in a rich heritage of Indian and Spanish influence. It affords entertainment, recreation and

shopping and cultural opportunities. The arid desert climate receives an annual rainfall of 7 inches with average temperatures ranging from 50° in winter months to over 100° in summer.

Job Title in Announcement: _____ **Announcement Number:** _____

Section 231 of the Crime Control Act 1990, Public Law 101-647, requires that employment applications for Federal child care positions contain a question asking whether the individual has ever been arrested for or charged with a crime involving a child and for the disposition of the arrest or charge.

Section 408 of the Miscellaneous Indian Legislation, Public Law 101-630, contains a related requirement for positions in the Department of Health and Human Services that involve regular contact with or control over Indian children. The agency must ensure that persons hired for these positions have not been found guilty of or pleaded nolo contendere or guilty to certain crimes.

To assure compliance with the above laws, the following questions are added to the Declaration for Federal Employment:

- 1) Have you ever been arrested for or charged with a crime involving a child? YES_____ NO_____

[If "YES", provide the date, explanation of the violation, disposition of the arrest or charge, place of occurrence, and the name and address of the police department or court involved.]

- 2) Have you ever been found guilty of, or entered a plea of nolo contendere (no contest) or guilty to, any felonious or misdemeanor offense under Federal, State, or tribal law involving crimes of violence; sexual assault, molestation, exploitation, contact or prostitution; or crimes against persons; or offenses committed against children? YES_____ NO_____

[If "YES", provide the date, explanation of the violation, disposition of the arrest or charge, place of occurrence, and the name address of the police department or court involved.]

I certify that (1) my response to these questions is made under penalty of perjury, which is punishable by fines of up to \$2,000 or 5 years imprisonment, or both; and (2) I have received notice that a criminal check will be conducted. I understand my right to obtain a copy of any criminal history report made available to the Indian Health Service and my right to challenge the accuracy and completeness of any information contained in the report.

Public Burden Statement: In accordance with Paperwork Reduction Act (5 CFR 1320.8 (b)(3)), a Federal agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Respondents must be informed (on the reporting instrument, in instructions, or in a cover letter) the reasons for which the information will be collected; the way the information will be used to further the proper performance of the functions of the agency; whether responses to the collection of the information are voluntary, required to obtain a benefit (citing authority), or mandatory (citing authority); and the nature and extent of confidentiality to be provided, if any (citing authority). Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the necessary data, and completing and reviewing the collection information. Send comments regarding the burden estimate or any other aspect of this collection of information to the IHS PRA Information Collection Clearance Staff, 12300 Twinbrook Parkway, Suite 450, Rockville, MD 20852. **Please do not send completed data collection instruments to this address.**

CTAP - INFORMATION FOR DEPARTMENT OF HEALTH AND HUMAN SERVICES (DHHS) SURPLUS OR DISPLACED EMPLOYEES REQUESTING SPECIAL SELECTION PRIORITY CONSIDERATION.

If you are currently a DHHS employee who has received a Reduction-in-Force (RIF) separation notice or a Certificate of Expected Separation, you may be entitled to special priority selection under the DHHS Career Transition Assistance Program (CTAP). To receive this priority consideration, you must:

1. Be a current DHHS career or career-conditional (tenure group I or II) or be a current IHS excepted appointment (with no time limits) tenure group II excepted/competitive service employee who has received a RIF separation notice or a Certificate of Expected Separation (CES) and, the date of the RIF separation has not passed and you are still on the rolls of DHHS. You must submit a copy of the RIF separation notice or CES along with your application.
2. Be applying for a position that is at or below the grade level of the position from which you are being separated. The position must not have a greater promotion potential than the position from which you are being separated.
3. Have a current (or last) performance rating of record of at least fully successful or equivalent. This must be submitted with your application package.
4. Be currently employed by DHHS in the same commuting area of the position for which you are requesting priority consideration.
5. File your application by the vacancy announcement closing date and meet all the application criteria (e.g., submit all required documentation, etc.).
6. Meet the basic qualifications for the position, any documented selective factor, physical requirements with any reasonable accommodation and are able to satisfactorily perform the duties of the position without undue interruption.

ICTAP - INFORMATION FOR DISPLACED EMPLOYEES REQUESTING SPECIAL SELECTION PRIORITY CONSIDERATION UNDER THE INTERAGENCY CAREER TRANSITION ASSISTANCE PROGRAM (ICTAP)

1. Be a displaced Federal employee. You must submit a copy of the appropriate documentation such as RIF separation notice, a letter from the Office of Personnel Management or our agency documenting your priority consideration status with your application package. The following categories of candidates are considered displaced employees.
 - A. Current or former career or career-conditional (tenure group I or II) competitive service employees who:
 1. Received a specific RIF separation notice; or
 2. Separated because of a compensable injury, whose compensation has been terminated and whose former agency certifies that it is unable to place; or
 3. Retired with a disability and whose disability annuity has been or is being terminated; or
 4. Upon receipt of a RIF separation notice retired on the effective date of the RIF and submits a Standard Form 50 that indicates "Retirement in Lieu of RIF;" or
 5. Retired under the discontinued service retirement option; or
 6. Was separated because he/she declined a transfer of function or directed reassignment to another commuting area.

OR

- B. Former Military Reserve or National Guard Technicians who are receiving a special Office of Personnel Management (OPM) disability retirement annuity under Section 8337(h) or 8456 of Title 5, United States Code.
2. Be applying for a position at or below the grade level of the position from which you have been separated. The position must not have a greater promotion potential than the position from which you are separated.
 3. Have current (or last) performance rating of record of at least fully successful or equivalent. This must be submitted with your application package. (This requirement does not apply to candidates who are eligible due to compensable injury or disability retirement.)
 4. Occupy or be displaced from a position in the same local commuting area of the position for which you are requesting priority consideration.
 5. File your application by the vacancy announcement date and meet all the application criteria (e.g., submit all required documentation, etc.).
 6. Be rated well qualified for the position including documented selective factors, quality ranking factors, physical requirements with reasonable accommodations and are able to satisfactorily perform the duties of the position upon entry.
-
